FOR IMMEDIATE RELEASE

Onepath Systems Named to AJC's Annual List

Atlanta, Georgia - April 18, 2011: Onepath Systems, LLC today announced it has been selected as one of the best companies to work for in Atlanta, according to the Atlanta Journal-Constitution newspaper's annual "Top Workplaces 2011" survey released on Sunday, April 17th, 2011. The paper listed Onepath Systems as #12 on the Top Small Workplaces list.

"Creating an engaging and inspiring work environment is crucial in today's competitive business climate. Onepath is honored to be included on this distinguished list," said Robb Borden, President at Onepath. "In the face of continuing economic uncertainty, our commitment to keeping Onepath a great place to work is unwavering, and our ranking speaks to our employees' enthusiasm about growing their careers here."

The judges for the survey were the employees. The evaluation for the AJC's Top Workplaces program is based entirely upon feedback from an employee survey conducted by Workplace Dynamics in the fall of 2010.

The AJC Top Atlanta Workplaces special section in the Sunday, April 17th edition featured employee-nominated companies, shows which employers are getting it right and what distinguishes them from others. In addition, the print edition will be supplemented with a Top Atlanta Workplaces channel prominently featured on ajc.com and ajcjobs.com for 12 months.
